

**NOTICE OF DISCONTINUANCE OF  
PERMANENT ABSENT VOTER APPLICATION LIST**

**CHARTER TOWNSHIP OF OXFORD  
OAKLAND COUNTY, MICHIGAN**

**Please note** that the Charter Township of Oxford will be discontinuing its Permanent Absent Voter Application list. The dual applications that were mailed out prior to the August 6, 2024 Primary election was the last automatic Absent Voter Application to be mailed out.

There are still two ways in which you can receive an absentee ballot:

1. You may submit a properly completed Absent Voter Ballot Application for each future election in which you would like a ballot. These applications are available at <https://mVIC.sos.state.mi.us/avapplication>. You may also contact our office to receive an application.
2. You may request, in writing, to be placed on the Permanent Ballot list so that you will automatically receive a ballot for each future election. Please email [smccullough@oxfordtownship.org](mailto:smccullough@oxfordtownship.org) to receive a copy of the form.
